Together Like the Altogether God

2025 Theme: TOGETHER

"Together" is the word God has spoken over us for 2025. Just like the human body—many parts, yet one whole—we are diverse, yet united; unique, yet interdependent. Each of us is equally vital, and our identity is collectively found in Christ.

This year, we are leaning into what it means to be *Together*

like the Altogether God—fully engaging with others in His fullness and being fully present in every interaction. We were not made to walk alone. God has called us to a common purpose and shared experiences. So, together we will worship, together we will serve, and together we will keep discovering more of who God is through His Word.

1 CORINTHIANS 12:12

"We are one but many, and we are many but one."

LifeConnect.Church's Third Anniversary

March 9, 2025 marked the third anniversary of LifeConnect.Church. I'll be honest—when we started, I prayed a selfish prayer that it wouldn't prosper. I figured if it didn't work out, at least I gave it a go.

But GOD... had other plans—for this Church and for all of us. If it weren't for His grace and faithfulness, I wouldn't have seen the lives transformed, the genuine relationships formed, and the deepening relationships in Christ.

As Psalm 115:1 reminds us: *“Not to us, O Lord, not to us, but to Your name be the glory, because of Your love and faithfulness.”*

Before fear could even take root, God's comforting word went ahead: *“Help is on the way.”* Truly, it's not by might or by power, but by the Spirit of the Lord. One plants, another waters—but only God makes it grow.

John Simkiss is in the House

We were blessed to have John Simkiss—and his wife, Sue—visit LifeConnect.Church. John holds the distinction of being our first-ever invited guest speaker, making it a historic moment for our church.

I gave him what could've been a daunting task: kick off our teaching on the book of Leviticus. But John rose to the challenge and unpacked the scripture with grace and clarity.

John and Sue are dear friends. He and I served together in the ministry years ago. And Sue played a vital role in helping Angel settle in Christchurch when she first arrived as a new migrant.
