GROW – Our Theme in 2024

This year, we're embarking on a collective journey toward robust spiritual growth as Christians. Just as a plant requires water and sunlight for optimal development, we too need to deepen our roots through immersion in His Word and understanding of Christ. Central to this growth is a commitment to Bible literacy. Our adventure through this ancient library (aka the Bible) will be both exciting and challenging. We read the Bible because we are followers of Jesus. It was Jesus who promised that he came to fulfil what is written in it. (Matthew 5-17-19). We will approach the scriptures with our eyes fixed on Jesus. It's going to be a long and epic expedition.

Celebrating our Second Anniversary

It's incredible to think that LifeConnect.Church has already reached its second anniversary. On the 10th of March, we reflected on God's goodness, faithfulness, and provision He has graciously lavished upon us. With each passing day, our church grows closer, fostering a tightly knit community. Yet, as we deepen our relationships, let's remember that

Jesus is the common thread binding us together in this journey of faith.

Easter Service

We marked Easter a week ahead of schedule this year. James delivered a unique Easter message, portraying Jesus not only as a Suffering Servant but also as the Son of Man, described with hair like white wool, eyes like flames of fire, and feet like furnished bronze (Revelations 1). The Lamb who once hung on the cross is the Lion who victoriously defeated sin and death, holding the keys to Death and Hades and is alive forevermore. This perspective has forever changed how I view Easter.

Get Connected Class

About 11 individuals participated in the Connect Class to familiarise themselves with the heart, purpose, and mission of LifeConnect.Church. It was delightful to see expressions of willingness to serve in ministry. It will be a great honour and privilege to work alongside these individuals as we embody the hands and feet of Jesus to serve others.
