

# CONNECTIONS

## Together in Christ

As we bring our year-long theme, “*Together*,” to a close, we are reminded of the powerful truths concerning *togetherness* from Ecclesiastes 4:9–12. Scripture teaches us that when we walk together, there is greater return for our labour, stronger support in times of need, increased protection, and deeper resilience. In Christ, we truly are better together.

### Beyond Grateful

This Christmas at LifeConnect.Church, we celebrated with the theme “*Beyond Grateful*,” drawn from Luke 1:49: “*For the Mighty One has done great things for me, and holy is His name.*” These words from Mary’s Magnificat illustrate for us a heart overflowing with gratitude for God’s faithfulness.

A heartfelt thank you to Ivy and Belle for hosting this year’s Christmas party; to Tata and Krystel for leading our Christmas *Rope of Hope* initiative in support of families in need; to everyone who generously brought a plate to share; and to Angel for the beautiful Christmas theme and gratitude cards—what a wonderful touch. We are also grateful to all the men and women who served and helped make this celebration so meaningful.

### Water Baptism

We joyfully celebrated four water baptisms across two dates—7 and 21 December. A set of siblings and one couple made the decision to publicly identify with the death, burial, and resurrection of Jesus. As Tristan shared during his exhortation, water baptism is not about joining a church organisation, but becoming part of *the Church*—the body of Christ.

## Connect Membership Class

Five new members recently completed the Connect Membership Class. During the course, they were introduced to the church's structure, vision, purpose, mission, culture, and opportunities to serve. We thank God for steady, meaningful growth within our church family.
